SANTA CLARA ART & WINE FESTIVAL

WHERE DOES YOUR SUPPORT GO?

The Santa Clara Art & Wine Festival features several booths that sell fine wine, craft beer and commemorative event glasses. These items not only add enjoyment to the weekend, the proceeds from their sale – more than \$45,000 each year – support local nonprofit organizations and City programs.

The beneficiaries are selected by the Parks & Recreation Commission and each offers activities and services that help Santa Clara youth and seniors. They are:

- The Friends of Santa Clara Parks & Recreation Department that provides financial grants to low income Santa Clara residents so that every child has access to the City's recreational activities.
- The Santa Clara Schools Foundation that funds programs, projects, scholarships and citizenship awards in the Santa Clara Unified School District.
- The Santa Clara Senior Center Health & Wellness Program that provides preventative and community health nursing, free of charge, for Santa Clara residents age 50 and older.
- The Santa Clara Police Activities League (PAL) that offers sports programs for ages 5-18 including soccer, boxing, bowling, BMX, judo, wrestling, girls' softball and fishing, plus the Police Explorers program.
- Grad Night programs at Wilcox and Santa Clara high schools, fun "safe and sober" all-night events for graduating seniors that include music, games, food and activities.

One hundred percent of the net Festival proceeds support non-profit organizations. Thank you for your continued support.
